

**Mr. Emil Chan**

## Executive Certificate in SmartCity Trainer

Emil Chan is a FinTech evangelist, digital transformation consultant, startup mentor, EMBA adjunct professor, and columnist with extensive experience in cross-border financial system design and operations, ranging from the banking industry to emerging Web3 and DeFi business strategies.

In recent years, he has been dedicated to building a solid nurturing environment for the next-generation FinTech ecosystem in the Greater Bay Area. In addition to advising corporations and SMEs, he serves as a startup mentor and advisory board member of the Cyberport Startup Committee. He has also been a visiting professor, lecturer, and guest speaker at renowned universities such as CityU, HKU, PolyU, HKUST, HKBU, CUHK, and VTC for over 10 years.

Emil is the esteemed Founding Chairman of the Cloud and Mobile Computing Professionals Association, Co-Chair of the Hong Kong Digital Finance Association, Chairman of the FinTech Committee of the Smart City Consortium, Honorary Secretary of Invotech, Vice President of the Hong Kong New Emerging Technology Education Association, and holds several other notable positions. Through his leadership and expertise, Emil has played a vital role in shaping the future of finance and technology in Hong Kong and the Greater Bay Area. His tireless efforts to build a strong and nurturing ecosystem for the next generation of innovators and entrepreneurs have earned him widespread respect and admiration.
