

How to set up your own profile

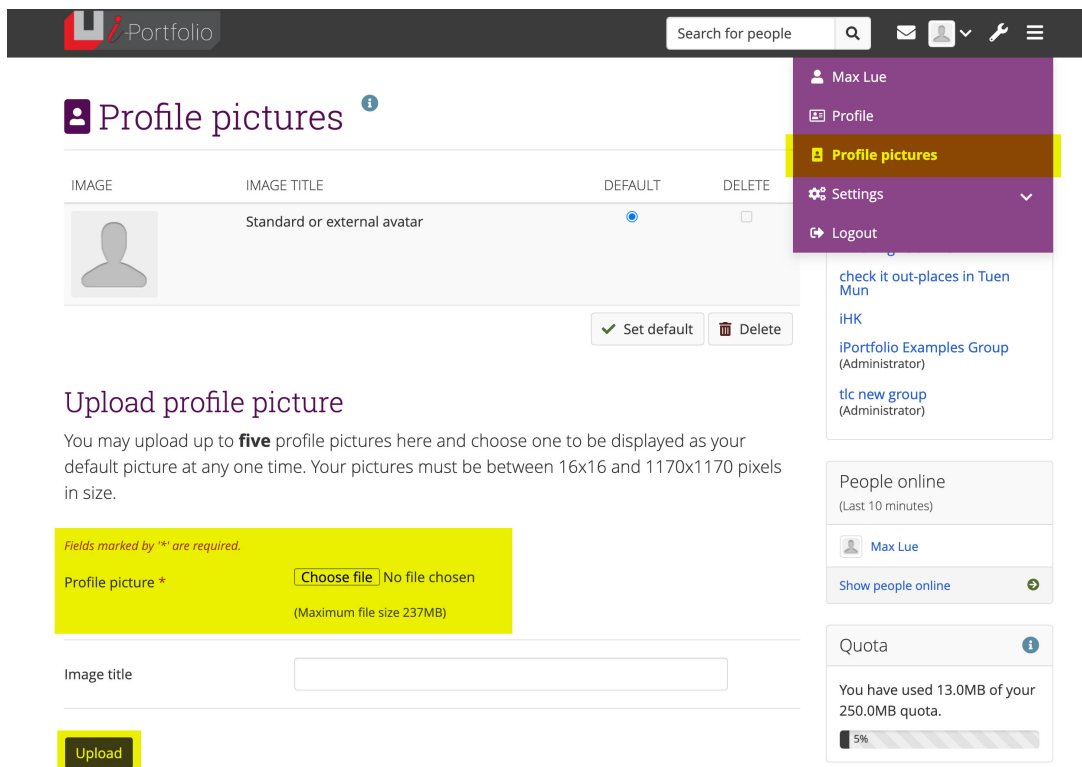

1. Login to Mahara and click the '  ' button.

2. Click the labeled '**Profile**' to edit your display name.

The screenshot shows the Mahara Profile page. The user is logged in as Max Lue. The page has a navigation menu with 'Profile' highlighted. The main content area shows the profile settings form. The 'Display name' field is highlighted in yellow and contains 'Max Lue'. The 'Save profile' button is also highlighted in yellow. The right sidebar contains a user menu with 'Profile' highlighted, a list of groups, and a 'People online' section.

3. Click the labeled '**Profile Pictures**' to upload your picture

The screenshot shows the Mahara Profile Pictures page. The user is logged in as Max Lue. The page has a navigation menu with 'Profile pictures' highlighted. The main content area shows a table with one row for the 'Standard or external avatar'. Below the table is the 'Upload profile picture' section, which is highlighted in yellow. The 'Profile picture *' field is highlighted in yellow and contains 'No file chosen'. The 'Upload' button is also highlighted in yellow. The right sidebar contains a user menu with 'Profile pictures' highlighted, a list of groups, and a 'People online' section.

4. Set the uploaded photo as default. Refresh the page and you will see your profile picture.
