***A guided, action learning experience  
taking you from being an online learner to  
developing blended learning approaches  
with your students.***

The ABL@LU (Active Blended Learning Enhancement@Lingnan) is a new blended professional development programme delivered by the TLC. This experiential programme, delivered in a blended mode, is in the final stages of being internationally accredited by SEDA (Staff and Educational Development Association <https://www.seda.ac.uk/>).

ABLE@LU has three modules in which you will be guided and supported through:

1. The experience of being an online learner
2. Developing your own blended learning activities using Moodle
3. Implementing and evaluating these activities with your students

# ABLE@LU: 2 Jan - 12 May 2023
