**Novemeber 13 (Monday)**

**4:30-6:30pm, LKK203**

**Session Two ~ Scripts: Developing characters, dialogue and narrative**

This session will focus on writing stories and scripts. The activities will help participants develop characters, dialogue and narrative as well as explore the preferred formats for writing plays and screenplays, learning what makes a “script” a script. Participants will be offered feedback on their work as time permits.
