* Students are assigned to take CCC8011 and CCC8012 in the first year, and CCC8013 and CCC8014 in the second year (or the third year for those designated as Year 3 students upon admission).

Under the revamped English Language Enhancement (ELE) programme, students will be grouped under two streams. Group A students are those who obtained level 3 in HKDSE English or equivalent while Group B students are those who obtained level 4 or above in HKDSE English or equivalent. Students are encouraged to take their first required ELE course, viz. LUE1001 for Group A and LUE1002 for Group B, in First Term of Year 1. However, they are given the flexibility to take the respective courses in Second Term of Year 1. For Group A students who take LUE1001 in Second Term of Year 1, they should take LUE1002 in First Term of Year 2. For details, please refer to <https://www.ln.edu.hk/reg/undergraduate-programmes/english-language-enhancement-ele-curriculum>.

+ For students admitted via faculty-based admission, in Year 1, Group A students will study a total of 3 courses from the categories of ELE Elective and Free Elective, with a maximum of 1 ELE elective, while Group B students will study a total of 4 courses from the above-mentioned categories, with a maximum of 2 ELE electives; in Year 2, students will study PHI1002 Introduction to Philosophy, PHI1003 Ethics: East and West (unless they have already completed these subjects); and from Year 2 to Year 4, students will study a total of 7 courses from the categories of ELE Elective and Free Elective.

Group A students have to take 1 ELE elective while Group B students have to take 2 ELE electives. ELE electives could be taken from the term in which LUE1002 is taken. For more details, please click <https://www.ln.edu.hk/reg/undergraduate-programmes/english-language-enhancement-ele-curriculum>.

@ Students are required to take 27 credits of free electives.

^ Students are required to complete 5 Cluster courses in total. For details, please see the Core Curriculum Section.

◇ Students are allowed to take LUE4001 during any term from Year 2 with completion of LUE1002 as the pre-requisite.

REQUIREMENTS IN PHILOSOPHY

There are altogether 48 credits in the major discipline. The Philosophy discipline requires students to take 10 required courses (30[^] - 33[^]credits) and either 6 programme elective courses (18 credits) together with a research seminar (3[^] credits) or 5 elective courses (15 credits) in conjunction with a final year project (6[^] credits). A final year project may be terminated possibly with the award of only 3 credits after one term, in the event that the student's progress is not satisfactory. In that case, the student will need to complete the research seminar (3 credits) in addition.

Special Topics

PHI4399	Special Topics
---------	----------------

Special Topics

The subject matter of Special Topics courses varies from term to term, most commonly in response to student demand. These courses count as programme electives and provide students and teachers with an opportunity to work on areas in philosophy not regularly covered in the Lingnan curriculum. Past examples include courses on the work of a major philosopher and courses on issues such as evolution and human nature.

Free Electives

Students may select courses in any disciplines to obtain the total number of credits required for graduation, subject to timetable, course load and study scheme constraints.
