Orbis Hong Kong – Future Vision Leader Programme

A 100% student-led campaign to support global blindness

- **Leadership:** Work as ONE team to delve into the impact of visually impaired individuals globally, identify local solutions.
- **Awareness:** Research and find an eye-related topic to be focus on. Create a campaign to address the topic.
- **Organization skills:** Design and implement a fundraising and awareness-building campaign that can attract and appeal the college or community.
- **Presentation:** Story-telling about sight-saving initiatives on campus and in the community.
- **Knowledge & international cultural exchange:** Exposure to diverse Orbis donors, renowned medical volunteers and international students who are dedicated to the mission of saving eyesight.
